Induction-Ready Stainless Steel

Our newest collection of uniquely styled stainless steel, induction-ready cookware will provide you the value you need combined with the durability your operators demand.

Large ergonomic handles are securely fastened with 4 heavy-duty rivets to make lifting large **stock pots, double boilers and braziers** easier, especially for our 40, 60, 80 and 100 quart sizes.

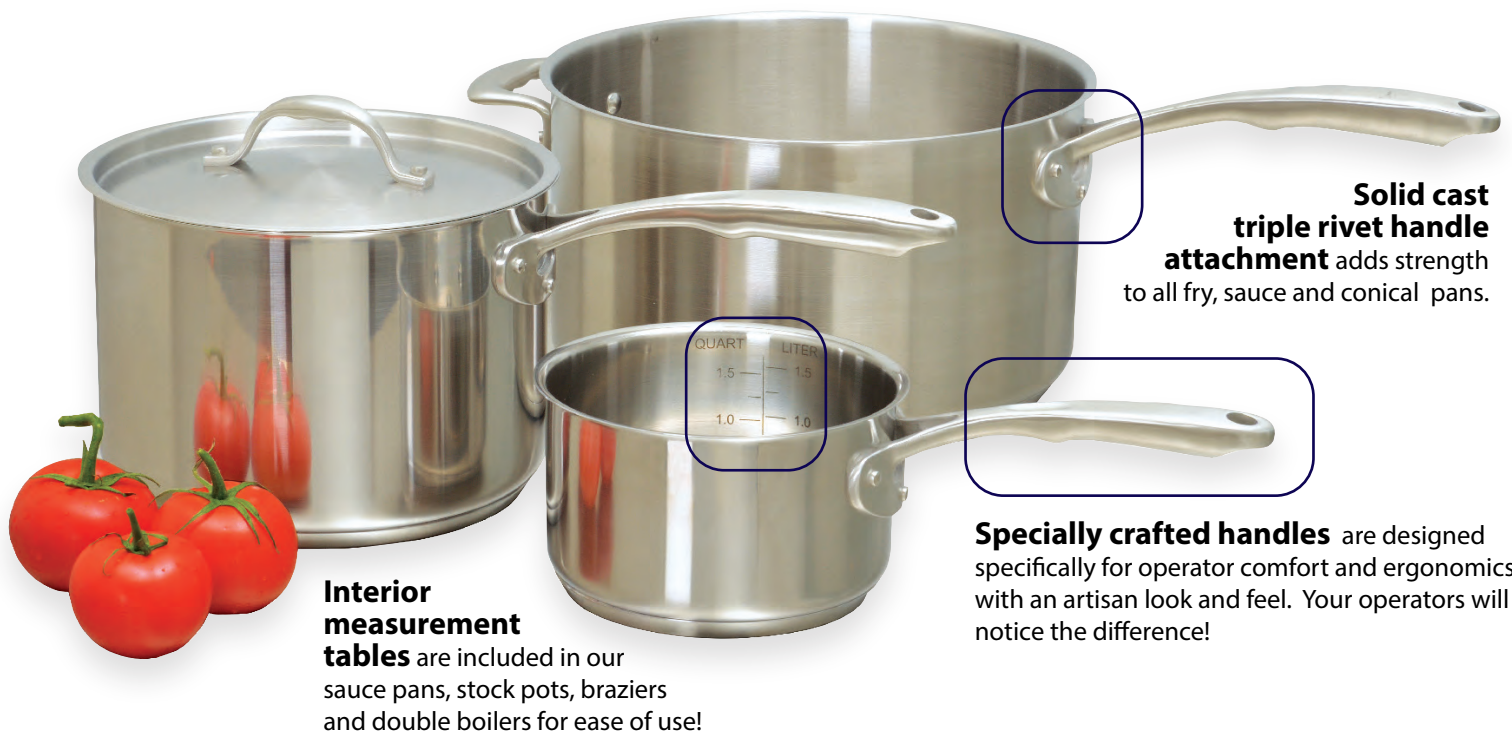

Double Boiler Sets
include a pot, insert and cover. Double boiler sets are available in four sizes.

Choose from over 50
different items, from the
smallest Conical/Saucier Pans
up to 100 Quart Stock Pots!

[see back of brochure for complete list.]

Choose from Tri-Ply or Impact Base Fry Pans:

Tri-Ply Stainless Steel Pans are available in 8", 9" and 11" sizes, natural and non-stick* finishes.

Impact Base Fry Pans are available in 8", 9", 11", 12" and 14" sizes, natural and non-stick* finishes. 12" and 14" units also include a helper handle for the big jobs!

* Non-stick Excalibur® coating is a registered trade name of Whitford Corporation.

New 9" fry pan featured on Update Int'l Induction Cooktop [IC-1800WN].

All fry and sauce pans feature **hollow handles** to assist with heat diffusion for better handling.

We've Got You Covered!

We currently have twelve covers [sold separately] to accommodate every pot or pan [see back of brochure for cross reference].
